The screenshot shows a mobile application interface for logging in. At the top, there is a status bar with icons for signal strength, Wi-Fi, 4G, and battery, along with the time 5:35 PM. Below the status bar is a grey header with the word "Login". A red error message is displayed: "The username and password combination you entered does not exist. Please contact your institution for assistance. [Authentication Error Code 101]". Below the message are two input fields: "User ID" and "Password". A yellow "Login" button is positioned below the password field. Further down, there is a blue banner for "EBSCO HOST" with the text "Learn more about EBSCO Information Services Product & Services". Below the banner is a white box with the heading "Important User Information:" and text stating: "Remote access to EBSCO's databases is permitted to patrons of subscribing institutions accessing from remote locations for personal, non-commercial use. However, remote access to EBSCO's databases from non-subscribing institutions is not allowed if the purpose of the use is for commercial gain through cost reduction." At the bottom, there is a dark navigation bar with four icons and labels: "Bookshelf" (books icon), "Read Now" (open book icon), "Find Books" (cloud with arrow icon), and "Info" (info icon).
