

**Credits Required: 30 Credits Minimum**

Social Design, MA students must complete 18 credits (Core and studio electives combined) and 12 elective credits to graduate. Students register for a minimum of 15 credits total per semester to reach 30 credits.

Term	Course	Course #	Credits	Total
Semester I	Social Design Studio I	SD 5550	6 Credits	15 Credits
	Social Design Seminar I	SD 5500	3 Credits	
	Practice-Based Studio	SD 5350	3 Credits	
	Elective	Various	3 Credits	
Semester II	Social Design Studio II	SD 5600	6 Credits	15 Credits
	Social Design Seminar II	SD 5650	3 Credits	
	Electives (2)	Various	6 Credits	
			<b>TOTAL = 30 Credits</b>	

**Maximizing your Academic Opportunities**

**Please note:** Students may take up to 19.5 credits per semester to enhance their academic experience beyond the 30 credits required in the MA degree plan. Consider additional electives, internships, ELL workshops, and ongoing Professional Development coursework. *It's important to be mindful of studio time as well as Graduate Teaching Internships during the week when building your schedule. Your program director is a great resource to discuss both time management and electives that complement your practice.*

**CHOOSING ELECTIVE COURSEWORK**

**Recommended Graduate Electives**

Review the Schedule of Courses for a complete list of graduate studio, liberal art and professional development elective courses. Students can also choose from dozens of elective courses, graduate or undergraduate, listed in the full schedule of classes at [www.mica.edu](http://www.mica.edu).

**Baltimore Student Exchange Program**

Explore elective courses at our partner institutions (Johns Hopkins University and University of Baltimore) through the Baltimore Student Exchange Program. Forms and approval required through Enrollment Services. Contact Carissa Mattern, BSEP Coordinator, [cmattern@mica.edu](mailto:cmattern@mica.edu), in the Office of Enrollment Services with questions / approval.

**Independent Study**

Independent study courses provide students the opportunity to develop and conduct self-designed research projects in collaboration with campus faculty. Independent study courses require the instructor approval, and a completed contract complying with MICA standards. Forms should be returned to the Office of Enrollment Services.

**Internship for Credit**

Professional internships may also be substituted for studio / liberal arts elective credit with permission from your program director. Students must attend an Internship Orientation through the Office of Career Development. Visit MICA’s Career Development Office online for more information.

**ENROLLING IN ELECTIVE COURSES**

Graduate students can register for graduate - level courses via MICA's online enrollment system. To register for an undergraduate level course, **with prerequisites or enrollment restrictions**, you will need to request approval through your graduate advisor.

**ADVISING / REGISTRATION SUPPORT**

**It is strongly recommended that you schedule an advising appointment to review your degree plan / progress to graduation.** Your graduate advisor is available to assist you in the enrollment process. Schedule an through Enrollment Services, [enrollmentservices@mica.edu](mailto:enrollmentservices@mica.edu).
