

MICA COVID-19 Temporary Vaccine Exception
International Students

Please Print the following

Name: _____ Date of birth: _____

Phone number: _____ Date of request: _____

To be completed by student

As a precaution during the COVID-19 pandemic, MICA has instituted a requirement that students are fully vaccinated against COVID-19 prior to their arrival on campus for the 2021-2022 academic year. As an international student currently residing abroad, I am **unable** to get the COVID-19 vaccine shot prior to my on-campus arrival and am requesting a temporary exception to the MICA mandatory COVID-19 vaccine policy.

International students are required to submit any requests for a temporary exemption to the vaccine requirement to MICA's Student Health Center by uploading this form to the secure [Medicat](#) Student Health portal found on the MICA Student Health Center webpage.

To remain compliant for Fall 2021, the deadline to submit this temporary request for exemption is **July 1, 2021**. Please note, as an international student completing this form, you must get your vaccine shot **within one week** of your arrival to campus.

I certify that I (printed name) _____ am an international student living abroad and currently enrolled to attend classes at MICA for Fall 2021. I am **unable to get the COVID-19 vaccine shot prior to my on-campus arrival and agree to get my vaccine shot within one week of my arrival on campus.**
